

## Ministry Objectives

- Provide opportunities for children to learn, at appropriate cognitive level, that God is Creator, Provider, and Savior of our world.
- Provide opportunities for social development through interaction with adults and other children.
- Provide a loving, safe and nurturing environment for children to develop a sense of security, belonging and importance to teachers working in the department and to God.
- Provide for children's physical needs in an immediate, consistent and positive manner.
- Provide opportunities for children to utilize the cognitive skills appropriate for each stage of development.
- Provide ministry programming that is sensitive and inclusive to all children and their families.
