## July Newsletter

### A Note from the Teachers:

We are having so much fun with your kiddos this summer! There are so many fun things going on this month! We will begin water day on Monday July 6th. We will also be hosting our annual BBA Carnival put on by the schoolers, this is always one of their favorite parts of the summer! This year will look a little different, we will be having it here and it will only be for the school age kids. The Carnival will still have games the schoolers help with, snow cones and a dunk tank! We also have several fun things planned for the kids this month!
