

AFFILIATIONS 2019/2020

England Netball has introduced a new system of affiliating to England Netball for the coming season.

Affiliation will now be called England Netball Membership.

All adult members (over 18) who are currently affiliated should log in to the new system: www.engage.Englandnetball.co.uk to check and if necessary, change their details. When you first go into Engage you will need to change your password using Forgot Password. Your username will be your membership number. Once you have changed your password you can then check your details in the account and make any necessary changes

Club Name: TEGATE

Club Membership Number: 6537

Parents of Junior Members

Option A – For parents who are not members of England Netball:

1. Go to [ENgage...](#)
2. Search for your child's club
3. Create an account for yourself
4. The club will then be able to link your account to your child's account so you will be able to buy their membership.

Option B – For parents who are members of England Netball and part of the same club as their child.

You do not need to do anything. Your club will be able to link your account with your child's.

Option C – For parents who are members of England Netball but part of a different club to their child:

1. Sign into ENgage
2. Go to the Directory module and search for your Childs club
3. Select the club and Apply
4. The club will then be able to link you to your child's account so you will be able to buy their membership
