

Potty Training made easy!

- Are you thinking of toilet training your child?
- Are you in the throes of toilet training your child?
- Is toilet training sort of kind of completed, but not really....

Do you think, "My kid goes potty on the potty, but...."

If any of the above applies to you, come hear Sally Neuberger, Potty Training Guru, speak on all things potty. Whether you are just beginning the process or have questions about, well peeing and pooping, this is the lecture for you!
