

## Registration Form for Summer Camps at SPUMC 2019

Name \_\_\_\_\_

Address \_\_\_\_\_

Email \_\_\_\_\_

Emergency Phone # \_\_\_\_\_

Birthday \_\_\_\_\_ Grade Fall '19 \_\_\_\_\_

Please indicate all programs with appropriate fees you plan to attend:

\$\_\_\_\_\_ **MiniDot** (2 full day with lunch) \$70

\$\_\_\_\_\_ **1/2) GIANTDot** (4 days AM session only). \$80

\$\_\_\_\_\_ **(GIANTDot)** (4 full days with lunch) \$130

\$\_\_\_\_\_ Extended day option (3-5pm) \$10/per day

\$\_\_\_\_\_ **Engineering** (2 full days with lunch) \$70

\$\_\_\_\_\_ **Future** (5 days AM session only) \$100

\$\_\_\_\_\_ **Frank Lloyd Wright** (4 full days with lunch) \$130

\$\_\_\_\_\_ Early Registration (by 4/15/19) -\$10 per camp

\$\_\_\_\_\_ Late Registration (after 6/2/19) + \$10 per camp

\$\_\_\_\_\_ Multiple Camp discount (includes Experience ZOE) -\$10

\$\_\_\_\_\_ Student led activity -\$15 per camp

\$\_\_\_\_\_ Adult leader (or lunch prep/serve) -\$15 per(1/2)day

\$\_\_\_\_\_ **Total** Checks payable to SPUMC

Check # \_\_\_\_\_ On memo line please add ZOE Activity

### Experience ZOE Camp(s) Registration:

Please complete the student information above & circle the desired dates:

(One, two, or all three). **June 10-11** **July 9-10** **August 15-16**

Please also indicate the specifics of at least one contribution:

Adult time (camp or Musika) Supplies (TBD) \$donation (amount)

## Art, Architecture, & Math Camps

At Southern Pines United Methodist Church

175 Midland Rd., Southern Pines, NC 28387

## Summer 2019

### DOT/LEGO Camps

**MiniDot**

**June 12-13 (W-Th) 9AM - 3PM**

**1/2) GIANTDot**

**June 17-20 (M-Th) 9AM - noon**

**(GIANTDot)**

**June 17-20 (M-Th) 9AM - 3PM**

### Building a City Camps

Engineering A City July 11-12 (Th-F) 9AM-3PM

Future Cities July 15-19 (M-F) 9AM-noon

Frank Lloyd Wright July 22-25 (M-Th) 9AM-3PM

### Experience ZOE Camps 9AM - noon

All sessions are recommended with attendees taking leadership roles.

Since each month tackles a different issue, students may participate as they are able, & still experience the ZOE program specifically in Africa.

Awakening Hope God+Food **June 10-11(M-T)**

Learning to Thrive Income Projects **July 9-10(T-W)**

Sustainability Homes+School **Aug. 15-16(Th-F)**

All camp profits benefit orphans in Zimbabwe through ZOE Ministry partnered with Southern Pines United Methodist Church.

## **DOT** Camp Overview

**Art:** Study the shapes & patterns of nature in the work of Charlie Harper, Eric Carle, Georgia O'Keeffe & Frank Lloyd Wright.

**Math:** Use geometric shapes, angles, & scale factor to resize objects + the study of lines (connected dots). The work of Friedrich Froebel (gifts & occupations) will be intertwined.

**Architecture:** Focus on maximizing a confined space with legos, zoobs, ramagon, knex, & other manipulatives.

**June 12 & 13** (W-TH) 9am-3pm Cost: \$70

**MiniDot Camp** is a full day camp including snacks & lunch.

Recommended minimum age is 7 with maturity to handle the frustrations of mini-sizing &/or nanoblock building. Miniaturizing is the focus in all activities. Fine motor skills, attention to details, and independent work will be needed. Students will have the opportunity to analyze and build Lego Architecture miniature cities, create their own environments, & tackle architectural challenges. Differentiated activities for multiple ages are offered during this 2 day camp.

**June 17-20** (M-Th) 1/2 day (AM only) or full day.

**1/2) GIANTDot Camp** 9am - noon Cost: \$80

Recommended for students who have completed pre-K (age 5+) &/or desire a morning only camp. Students will engage with giant sized games, learn how to enlarge items, build with multiple sized legos, & create large scale projects. Snack included.

**(GIANTDot) Camp** 9am - 3pm Cost: \$130

The full day session includes lunch, is for ages 7+ who are able to sustain independent work, & includes all **1/2) GIANTDot** activities with extended time for projects, building marble runs, architecture studio challenges, or lego creations.

\*\*\* **MiniDot & GIANTDot** Camps have minimal overlap of content due to size differentials, materials, & project choices. Returning **DOT** campers have "fast passes" to work independently during a few activities & might consider leading a small group activity to reduce costs. Extended day option from 3-5:00 pm is available for an additional \$10 per day for those attending full day **DOT**, **Engineering A City**, & **Frank Lloyd Wright** camps. \*\*\*

## **Building a City** Camps

**Engineering A City** July 11-12 (TH-F) 9AM-3PM. \$70

Recommended age 7+. Snacks & lunch included. This camp is for students who have an interest in engineering & problem solving. Focus is city infrastructure planning, bridge construction, dealing with high density populations, & natural disasters. Students will create a core community, brainstorm ideas as the city population expands to capacity, & emigrate, if desired, to remote islands.

**Future Cities** July 15-19 (M-F) 9AM-noon. \$100

Recommended grades 1-8. Snack included. Students will create cities using mixed materials on the continent of their choice (All 7 unique environments included). Creative solutions for water/power sources, land management, and environmental issues are explored as students create their visions for the future. Coordinating with others is the key. Students who bring their own lunch may stay until 12:25.

**Frank Lloyd Wright** July 22-25(M-Th) 9am-3pm \$130

Recommended age 8+. This camp is for students who have interest in art, design & architecture. Learn about a unique style of architecture, about the inspirations (Geometric Shapes & Nature) behind the designs, & what makes it timeless. Using Legos, students create a Wright inspired complex expressing the process & use of creativity along the way to the finished product. Details might include a project board, sculpture, landscaping, coordinated stained glass, & integrated furnishings. Students might work on a site plan or specialize a specific detail to share with others. Snacks, lunch, an architectural notebook, & a copy of Simply Wright are included. Limited space.

**Experience ZOE Camps** 9AM - noon. Age 6+

Students aged 10-18 as heads of household will help select/lead the activities & support younger campers. Students aged 6-10 will join a family unit if not with an older sibling. Each session is based on a part of the 3 year ZOE empowerment program where orphans learn self-sustainability. A Musika(Market) will be planned. Registration is required with a donation of adult time, supplies, or \$ to cover costs.
