Topics for Discussion

Brian said he wanted to discuss the Site Plan Review Ordinance and the significant changes that have been pushed out again. Brian would like to present two (2) Site Plan Review Ordinances for the November Warrant. One to go along with the Land Use Ordinance and one to have the Medical Marijuana sections. Steve said he should place this on the May Agenda.

Steve suggested Justin McIver bring his application for 175 Portland Rd. to the May 2nd meeting and he would be the first thing on the agenda after the Public Hearing.
