Job Title: Emergency Medical Technician

Location: Lake County, MN

Company Overview:

Lake County Ambulance Service (LCAS) is a public non-profit providing emergency medical services to the communities of Lake County, MN. Our primary service area (PSA)¹ covers 1535 square miles and includes parts of Cook and St. Louis Counties. Along with the towns of Isabella, Finland, Silver Bay, and Two Harbors, our PSA includes four state parks: Gooseberry Falls, Split Rock Lighthouse, Tettegouche, and George H. Crosby-Manitou, along with parts of the Boundary Waters Canoe Area (BWCA). LCAS is committed to delivering high-quality care while priding ourselves on our dedication to serving our communities with compassion and professionalism.

Job Description:

As an Emergency Medical Technician at Lake County Ambulance Service, you will play a crucial role in providing basic life support care to patients in emergency situations. You will be responsible for assessing patients' conditions, administering advanced medical treatments, and ensuring patients' safe and efficient transport to medical facilities.

Key Responsibilities:

1. Respond promptly to emergency calls and assess the scene for safety and patient condition.
2. Perform initial patient assessment and provide basic life support interventions per established protocols.
3. Administer CPR, control bleeding, immobilize fractures, and provide emergency medical care.
4. Safely operate and maintain emergency vehicles and medical equipment.
5. Communicate effectively with patients, their families, and other healthcare professionals.
6. Document all patient care activities accurately and in a timely manner.
7. Collaborate with other emergency response team members to ensure seamless patient care and transport.
8. Participate in ongoing training and professional development activities to maintain certification and stay updated on best practices in emergency medical care.
