

Townewest HOA Giving Tree Program

## Hello Neighbors!

It is the Giving Season again and due to COVID-19 restrictions, the Townewest HOA Board of Directors cannot host the usual Christmas Party at the Clubhouse. They have decided to host a "Giving Tree" to provide gifts to the children of families in our community who may be struggling this holiday season.

If you are interested in participating in the "Giving Tree" as a donor or as someone in need of assistance please contact Jacki at 832-247-4640.
