

Thank you for considering sponsorship of **Adaptive Cycling of Southern Idaho**, a local chapter of National AMBUCS, Inc.. AMBUCS is a 501(3)(c) non-profit service organization that manufacturers and sells AmTryke adaptive tricycles and bicycles to chapter members.

The mission of Adaptive Cycling of Twin Falls is to create mobility and independence for people with disabilities. To fulfill this mission, our goal is to donate AmTryke adaptive tricycles and bicycles to local adults and children with special needs. For individuals who are unable to operate traditional bikes, AmTrykes provide opportunities that many take for granted including improving fitness, coordination, self-esteem, independence, and recreation. Our chapter is working to raise funds in order to purchase the adaptive bicycles and tricycles that will be donated to applicants.
