### A MESSAGE FROM WALK #113 LAY DIRECTOR

When I reported to Camp Alamisco in February of 2004 for Central Alabama Emmaus Walk # 64, I was spiritually on life support. I had strayed from God for some 40 years, and God had only recently begun to bring me back into the fold.

The reading of Lee Strobel's book, "The Case for Faith," had restored my faith, but I had barely resumed my walk with God. I was attending church on a regular basis, which in itself was a real improvement. I had begun in January to read the "One Year Bible," and for the first time I had actually made it all the way through the book of Genesis. I had never attended a bible study. I rarely prayed, unless I wanted something from God (oh yes, it was all about me in those days), and I had **never** prayed aloud.

Then came my Emmaus Walk, and, as in the case of so many others, the Walk made a profound difference in my life. Of course, the change in me just **began** on my Walk. Over the course of the nearly five years since my Walk, I have been engaged in a grand journey, establishing a personal relationship with God through daily prayer and the reading of His Word.

I have come such a long way on my walk with God, but I am very much a work in progress. And I know now that I'll **always** be a work in progress. God has truly blessed me by allowing me to serve in His wonderful Emmaus ministry and to help give to hundreds of others what was given to me during my original Walk, and I have treasured every moment.

For His Central Alabama Emmaus Walk # 113, God has blessed me with a wonderful group of men who make up our conference room team and a very special group of Christian brothers and sisters who are serving on our background team. Through the selfless contributions of all the members of Team 113 and all those who have prayed and will pray for us and the pilgrims throughout the Walk, I know that Walk 113 will be the "best Walk ever," -- until Walk 114, of course.

I send you all my deepest and most heartfelt thanks and extend a personal invitation to the entire Central Alabama Emmaus Community to join us, the Holy Spirit, and the pilgrims of Walk 113 -- whether it's to greet the pilgrims on Thursday evening, to prepare or serve a meal, sign up for the prayer vigil, pray in the speakers' prayer chapel, help prepare and serve refreshments, distribute agape, participate in Candlelight, sing at Serenade, or hear the pilgrims at closing on Sunday evening. As Jesus tells us in Matthew 18:20, "Where two or three are gathered together in My name, I am there in the midst of them."

Thank you all for your love and service to our Lord and Savior Jesus Christ, and may all the Glory be His. DeColores!

Table of Anna

Going into this Walk to Emmaus I didn't know what to expect  
No one would give me ideas of what was to happen next  
I was almost last going in to sit down so I took the first empty seat  
Little did I know that the ones sitting there would make such an impact when we would meet

We are all ages and have different careers  
We come from many places and we have different fears.  
We've gathered each morning with excitement and dread  
Wondering what would be asked or what would be said

We learned that grace is a way God has to pull us close to Him  
He desires to have a relationship that's more than just a whim  
He seeks to have His children in a tightly woven bond  
And then He'll pour out blessings your imagination can't go beyond.

He chose to have us come here all together on this date  
He knew what each one had in mind and He determined each one's fate  
He allowed these things to happen that would bring us to our knees  
For He knew that was the only way to get us there to see.

God has shown a love to us that no one else can match  
He is now waiting patiently to see what we give back  
I've thrown away the things I know were standing in my way  
I'm giving God the full control to lead me day by day.

I'll be going home a different person than the one that came before  
God has made a difference and she's standing here no more  
I'm taking with me memories that I will treasure in my heart  
Ladies at table "Anna" our friendship will never depart.

**A MESSAGE FROM WALK #113 SPIRITUAL DIRECTOR**

My Brothers & Sisters of The CAEC

Greetings! As I prepare for Walk #113, I find myself excited about the prospect of being used as an instrument of the Lord to possibly bring about change in the lives of people. The experience of a Walk (Pilgrims and Team Members alike) is all about Grace, Love, Joy and Forgiveness. I never get tired of listening to the talks because I am blessed by every one I hear. Walk #113 promises to be (you guessed it) "The Best One Yet".

When Grace, Love, Joy and Forgiveness are being spoken of and the action between God and people begins to fill the room, all are affected. Everyone is blessed when the Holy Spirit descends upon a group of folks seeking God. There are such great possibilities on a Walk that it is impossible for anyone to

know the everlasting effects and how wide reaching the Hand of God will go.

The greatest means of Grace is **FORGIVENESS**. When we ask God to forgive us we open the floodgates of God's Grace. When we forgive others their transgressions, then God's Grace again begins to flow to us. After we have been forgiven, the glorious possibilities of the Holy Spirit are loosed upon any situation in which we will be obedient instead of reluctant. A Walk to Emmaus affords a grand opportunity to participate in God's River of Grace - Love - Joy - Peace!
