

# BASIC FOUNDATION PAPER PIECING

## July 22, 2022

This is the block we will be doing today. I will provide the paper.

Supplies needed:

Sewing machine

Thread

Three different fabrics, can be scraps (good sized pieces) or fat quarters.

Pins

Scissors

Rotary cutter, mat (small) and ruler

Add-a-quarter ruler if you have one

Roller for pressing

Iron and ironing surface (small)

Piece of template plastic if you have it. Mine is about 3x7. If not, a piece of card stock will work.

If you finish the block and want to do more, I have some log cabin sheets you can try (bring more fabric) or go on line, there are a lot of free paper piecing patterns out there.

Hope to see you in class
