

Professor of Dental Assisting

Florida State College at Jacksonville is seeking a full-time Professor of Dental Assisting.

The Professor of Dental Assisting will develop and distribute a course syllabus to students for each class taught based upon the official course outline. The Professor will teach each course assigned in accordance with the College approved course description and course outlines while guiding student discussion and course work-study.

Requirements:

- Hold at least a baccalaureate degree from a regionally accredited institution.
- Certificate in Expanded Functions.
- Have 3 years of work experience as a dental assistant.
- Hold a current certified dental assistant certification.
- Be a Florida dental radiographer or able to obtain a Florida radiographers certification within six months of employment.

Interested candidates must submit a Florida State College at Jacksonville online application and attach unofficial copies of student transcripts at <https://jobs.fscj.edu>

Please refer to Job Opening ID: 2018072
