## Easter Love

On Easter we celebrate love,  
love coming down from heaven,  
love blanketing the earth  
in a transforming embrace;  
unique and infinite love,  
giving more than we can  
imagine  
for us, to cleanse our sin,  
a perfect sacrifice, Lamb of  
God,  
the walking, talking Word.  
He is teacher, role model,  
friend,  
this God in human form,  
dying, then rising from the  
dead,  
proving all who believe  
will also rise  
to have eternal life, with Him,  
Lord of all.  
Oh, Happy, Happy Easter!

# HAPPY EASTER

Q: What do you call a group of rabbits walking away from you?

A: A receding hareline

Q: Did you hear about the jelly bean that went to college?

A: It wanted to be a Smartie.

## BUS LINE PROCEDURE

When you arrive at the bus you, **PHYSICALLY**, can get in line. You **CANNOT** put a bag, cart or any other object in line to hold your place. You are able to save one seat, which is for the person that will be sitting next to you. You are not able to let all your friends get in line with you. If this happens, your whole group will be asked to get in the back of the line. It is not fair to the people that get there early to sit where they want to sit.

## TRIP PAYMENT POLICY

It has always been our policy that once a reservation is made, payment is required 2 weeks after. Holding unpaid reservation is unfair to everyone, travelers and us included. Again if you have to stop and think if I am talking to you, "yes, I am".

Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace you so that no one is out the money. Please contact us on a one to one basis if you have financial difficulties with this policy.

## ACME PARKING

Please patronize the Kenilworth Acme for allowing us to park in their lot for our trips. Also, please note that when you are parked at the Acme, you are parking at your own risk and the Acme cannot be held responsible for anything.

## TONY'S BLOG

Just celebrated another birthday. It is hard to believe that 40 years ago we did our first bus trip.

The birthdays and years seem to go by so quickly. The question most people ask, if what type of vitamins I take to keep going like I do. The answer is simple. I do take a few vitamins, but, basically I am an extravert. And extraverts get all their strength and energy from people around them. So, whenever I am on the bus with happy people laughing and having a great time, my energy level soars. In conclusion, it is important that I keep traveling, sharing my time with happy people and keep moving. I am looking forward to another year. Lets all spread love and happiness to each other.

#### POLICY FOR DAY TRIPS

It has always been our policy that once a reservation is made, payment is required 2 weeks after. To our own fault, we have been very lax with this policy. Our computer system is now set up to remove names that are not paid within that time frame. Holding unpaid reservation is unfair to everyone, travelers and us included. Please understand that once we paid for your tickets/meal we cannot offer you a refund or credit unless we are able to sell the seat. As you know, we always try and resell your ticket so that you don't lose any money. We understand that things happen that we cannot foresee and we try our best to get someone to replace your reservation so that no one is out the money. Unfortunately, this is becoming more and more of an issue and is putting us in a difficult spot. Please contact us on a one to one basis if you have financial difficulties with this policy and we will do our best to work with you.
