Re: Letter of Support & Appreciation

Sandra,

I just wanted to take a few minutes of your time to tell you my sincere appreciation of Honoring Our Veterans. Through your own personal & driven efforts, those of selfless volunteers, and the dedicated donors who make it possible; I salute all of you!

Since the establishment of Honoring Our Veterans in 2008 your outreach efforts to our newest generation of heroes has been unmatched. The warm and hospitable community of Jackson Hole, Wyoming has provided these Wounded Warriors an opportunity to engage in new interests, create new and exciting hobbies, and develop an awareness to be proactive in their own well-being through recreational therapy.

The men & women that you have served from the Great State of Oklahoma are so appreciative and willing to spread the word of Honoring Our Veterans mission. The fly fishing, white-water rafting, horseback riding, wildlife tours, Yellowstone & Grand Teton Park tour, BBQ dinners, and the meaningful conversations next to a campfire with various staff members, volunteers, and local residents are immeasurable. Lastly, the

new relationships and bond that they have built with other Wounded Warriors will last for a lifetime!

I wish you continued success in the future and can only hope that Corporations, Businesses, and Individual donations continue to expand the much needed opportunities for our Warriors through their generous donations! God Bless you.

Sincerely,
