

TUCSON SERVSAFE® CLASSES 2016

Food safety is more important now than ever. New headlines tell the story every day. Concern about food safety has never been greater. Each highly publicized incident of foodborne illness deals a blow to the public's confidence in our industry.

SERVSAFE food safety training from Nutrition Alliance, LLC is your solution. This class is approved for the food service manager's license requirement by Maricopa County sanitation regulations for the year 2016. Our certified instructors administer a certification exam to attendees at the end of the class. Those who pass the exam receive a nationally accredited food safety certification from the National Restaurant Association.
