

PROTEST PROCEDURE

Driver or Owner protesting must have competed in 3 previous events. The event he/she is filing a protest for must be filed on a higher finishing competitor and only top 5 finishers may file a protest. Driver/Owner must file protest within 10 minutes of the race conclusion being protested, protester must file protest at scales or tech barn in writing with appropriate CASH protest fees. 10 minutes after the checkered flag there will be no protest allowed for that event. Driver/Owner may only protest one car per event, if multiple protest of same car first protester with written protest and money is the protester. Refusal of protest will result in immediate disqualification, and a minimum 2-week suspension.

PROTESTING CARBURETORS:

Carburetor: To protest a carburetor the fee will be \$50. If it is found to be illegal the protester will receive \$35 and \$15 will go to the points fund. However, if the carburetor is found to be legal the protested car will receive the \$35 with \$15 still going to the points fund.
