### Miscellaneous Phone Numbers

Florida Power & Light (downed wires)	(800) 468-8243
Waste Pro	(772) 595-9390

Pet owners, please note that there are  
**no pet shelters in Port St. Lucie**  
so make arrangements in advance for their safety

## AFTER THE STORM

- If you are in a public shelter, remain there until informed by those in charge that it is safe to leave
- Stay at home and avoid unnecessary travel
- Report downed or dangling power lines to FPL at (800) 468-8243
- If power outage occurs, turn off or disconnect appliances and fixtures

### Debris Removal

- Place debris from damage to plants and trees in a separate pile at the edge of the pavement (DO NOT bag or bundle)
- Place debris from damaged structures (screen enclosures, roof tiles, gutters) in a separate pile (NO floor tiles, appliances, fixtures, furniture or clothing)
- Place normal household waste in plastic bags and then in a garbage can curbside
- Don't mix items from debris categories (mixed debris may cause your pickup to be delayed)
- Contact Waste Pro only for questions about household waste collection

### Points of Distribution (PODs)

- PODs are points of distribution for food and water after a hurricane
- PODs will open as soon as supplies become available so tune to your local radio and TV stations for updates
- The city has two POD locations—the Civic Center, 9221 S.E. Civic Center Pl. and McChesney Park, 1585 S.W. Cashmere Blvd.

### Public Water and Wastewater Systems

- Conserve water use during and after severe storms or hurricanes
- A precautionary boil water advisory may be issued by a public utility after a severe hurricane until the utility can verify the integrity of its water supply system
- Local residents are served by three distinct water/wastewater utilities:
 

Port St. Lucie Utility Systems Dept.	(772) 873-6400
Reserve Utilities	(772) 468-4604
St. Lucie West Services District	(772) 340-0220
