

Oral Cancer Screening "It's More Than Grasping the Tongue"

Presented by
Susan Cotten BSDH, RDH, OMT
CEO of Oral Cancer Consulting
Developer of the "Cotten Method" of screening!

Susan works with dental professionals who want to have more confidence in screening, reduce their risk of liability, and increase early detection.

Hygienists and Dentists - Join Susan to discuss HPV, Signs and Symptoms Associated with Oral Cancer, and Components of a Comprehensive Oral Cancer Screening!
