This information is requested solely for the purpose of determining compliance with Federal civil rights laws. It will assist in assuring that this program is administered in a nondiscriminatory manner. Respect for individual dignity should guide the processes and methods for collecting data on race and ethnicity; ideally, respondent self-identification should be facilitated to the greatest extent possible, recognizing that in some data collection systems observer identification is more practical.

NOTE: Ethnic and racial data must be collected annually and kept on file. This information is not required to be submitted to the State agency but must be available upon request.
