DESCRIPTION: Great looking and performing Browning Cobra I recurve. No delamination; no cracks; limbs are straight. Tip overlays are in great condition. No drilled holes. No stress lines or crazing. A few scratches and scuffs on the limbs. The only significant flaw is a filled "dimple" on the limb above the sight window and a short stress line just below the shelf (see pic on last page). Overall, this is a really nice bow in excellent condition for its age.
