In Memory of
Cecilia Cardinal
1921-2015

May you walk in heaven
and God around you flow
for the happiness you gave us
no one will ever know.
It broke our hearts to lose you,
but you did not go alone,
a part of us went with you
the day God called you home.
A million times we needed you,
a million times we cried.
If love could only have saved you,
you never would have died.
The Lord be with you
and may you forever be at rest.

Love from the Cardinal family and those you loved

In Memory of
Martin Francis AUGER

*April 16th, 1933
- February 9th, 2015*

We do not need a special day
to bring you to our minds
The days we do not think of you are very hard to find.
Each morning when we awake we know that you are gone
And no one knows the heartache as we try to carry on.
Our hearts still ache with sadness and secret tears still flow.
What it meant to lose you no one will ever know.
Our thoughts are always with you, your place no one can fill.
In life we loved you dearly; in death we love you still.
There will always be a heartache, and often a silent tear.
But always a precious memory of the days when you were here
If tears would make a staircase, and heartaches make a lane,
We'd walk the path to heaven and bring you home again.
We hold you close within our hearts; & there you will remain,
To walk with us throughout our lives until we meet again.
Our family chain is broken now, and nothing seems the same.
But as God calls us one by one, the chain will link again

*We love and miss you dearly

*We can no longer celebrate together
another added year,
but this does not mean we forget
and that we no longer care.
Dear Gilbert - we remember every day
the time we had together,
and the time you went away.*
