# Military Women Across the Nation

1979 – 2018

MILITARY WOMEN ACROSS THE NATION  
... STILL SOMETHING SPECIAL!

---

**HISTORY:** Formerly WAVES National, three former WAVES met some 30 years ago to seek out other WAVES and assist them as they were transitioning from the military back into civilian life. From the tireless efforts of these three women, Jeannie Palermo (Dicks) (Deceased), Loda Mae Dobbins (Deceased) and Esther Govorchin, as well as numerous Past National Presidents with the support of our members across the nation, this organization has continued to march forward. We chose "Still Something Special" as a memorial tribute to our founders, whose first National Convention had the theme: Still Something Special.

Our Mission is to ...

- ✓ Keep all military women, past and present, informed of current benefits associated with their military service
- ✓ Keep female veterans connected while preserving our common history
- ✓ Provide opportunities for women in tomorrow's armed forces through networking, socialization, and service with and for other female veterans

*Welcome to San Diego! It is almost convention time and what better place to gather than the beautiful Southern California coast! Stars & Stripes Unit 36 members have coordinated a variety of opportunities for us to have a superior time in their lovely city while we complete the business necessary for Military Women Across the Nation to sail smoothly into the future!*

*Added to the usual agenda items are presentations by local experts on VA Women's Programs and Benefits as well as an assortment of other interesting topics.*

*Outside of the business meeting there are tours, cruises and shopping all with easy access. Of course, there will be plenty of time to reconnect with our service sisters, make new friends and tell a tale or two!*

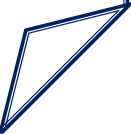

*Take time right now to complete and submit your reservation so you can 'Go, West, young lady' and join us for a fabulous time!*

*I hope to see you all this September in San Diego!*

## MORE HELPFUL INFO

---

**SUPPLY LOCKER.** Our official Military Women Across the Nation Supply Officer will arrive armed with various items available to purchase from the Supply Locker, including caps, pins, patches, charms, jewelry, and many other MILWOMEN logo items. Additionally, she will bring various clothing samples to try on for size, and for ordering on site from the Supply Locker. Stock on hand can be purchased and taken with you; all other purchases made via the Special Order Form (available only at the 2018 MILWOMEN National Convention) will be shipped to you immediately after the conference **FREE OF CHARGE!**

**SUPPLY LOCKER ASSISTANCE.** Our Supply Officer does a fantastic job keeping us supplied with memorabilia and logo'd items, but she needs your help at the convention. It usually takes a village ... but in this case, it will take 7-10 volunteers to help man the store, process orders, and generally help serve customers.

- ✓ If you are able to spend some time helping in the Supply Locker on 4, 5, or 6 September, please contact Linda Coffield directly at [LindyC1951@Gmail.com](mailto:LindyC1951@Gmail.com) and let her know when you're available to assist.

---

**SISTER-TO-SISTER HELPING HAND (formerly SHIPMATE ASSIST PROGRAM).** Help a Sister in need or donate to those who require financial assistance to help defray their convention attendance. Beginning with the National Convention in Norfolk in 2010, this program was created to offset costs for our members who may require a bit of financial assistance or may otherwise be unable to attend the convention. Actual support will vary based on requirements and be limited to funds on hand. All requests will remain confidential and will be determined by a three-member board. Requests will be considered based on available funds and number of requests, and approved requests will be provided via discounted registration cost versus cash reimbursement.

- ✓ If you can make a donation, please include with your registration form.
  - ✓ Requests for financial assistance must be made **NLT 1 AUGUST 2018.**
- For more information or to apply for assistance, please contact Lynne Pine directly at [Lynne@MILWOMEN.org](mailto:Lynne@MILWOMEN.org) or (507) 400-9111.

---

**ENTERPRISE CAR RENTAL.** Please be aware that there is an Enterprise Car Rental office on site at the Handlery Hotel. For those arriving early (or staying afterwards), this is a convenient location to pick up and drop off your rental vehicle should you desire one during your San Diego visit. This additionally avoids the airport fees and taxes. We do not recommend that you rent a vehicle during the convention times, as there's no need to pay for a rental car (and associated parking fee at a specially negotiated price of \$5/nightly) to sit while you're attending the convention. Note that this location is closed on Sundays, and you should reserve online in advance to be certain to get your vehicle type. They are limited to stock on hand at this particular location: Hotel Circle - San Diego, 950 Hotel Circle North, San Diego, CA 92108.

*You can find out more and make your reservation here:* [www.enterprise.com](http://www.enterprise.com) or calling Bruno at (619) 296-7493.

---

**DINNER CLUSTERS.** For those arriving on or before Tuesday, we will have dinner suggestions available in the hospitality room. We'll be planning some suggestions for those who want to enjoy a few of the local restaurants with easy access, good food, and within the hotel vicinity. Be sure to sign up for a location you'd like, as we'll want to make reservations if there is strong interest. You may also note whether you may need a ride or can provide one, as we'll want to carpool and get to know each other. You might even have a great suggestion and want to guide others to a local eatery to try out!
