DEAR CLUB MEMBERS:

The May meeting held at Lakeview had 29 members present.  
The meeting was called to order by Richard @ 7:40 pm.  
Roll call was taken with the President, Vice President, Secretary, Treasurer, 2 Board members and Trail Chairman present.

Secretary Report: On file and distributed to all members.  
Treasurer Report: Read and accepted as read.

PRESIDENT REPORT:

Nothing to say at this meeting.

ALLIANCE REPORT;

A payment was made on the south groomer.  
Money is still available for signs but time is limited in getting the order in.

TRAIL REPORT:

The bridge at Lund's has been evaluated and measured for any necessary repairs.  
Morris spoke of the difference between bridge rehab and rebuild. If the bridge is to be rebuilt or made higher for the water level then the DNR must be involved. If the bridge is rehabed and new wood added to the existing then no DNR contact has to happen. Levi feels that the old plywood should stay in place and new put over the top as a fix for a few years.  
There are road signs still available for road crossings: Lake Drive Road, County M etc.....

OLD BUSINESS:

Brian reported that the on line registration for joining the club is almost complete; a tax certificate was needed as a Pay Pal requirement. Should be done soon.

NEW BUSINESS:

The landowners were very pleased with the hams.

A question was asked, do we want any other websites linked to ours? For instance carguys.com wanted to be linked to us; it was discussed that if they do not sponsor us or snowmobiling then we will decline the request.

A letter was received from the Tobacco day's committee asking if we were interested in participating in the parade this year.

A question was asked if there were any other ideas for a spring or summer fundraiser, we are open to all ideas.

The raffle for the snowmobile has been approved by the board and will go forward. The snowmobile is on display at Lakeview it will have a banner with the club logo. Tickets will be \$20.00 with only 1000 being sold. If anyone is interested in buying or selling raffle tickets please contact one of the board members (numbers listed below). The ticket will be drawn at Lakeview on October 17th with the possibility of a small party and other raffles on that day.

A suggestion was made to sell tickets during Tobacco days and have the sled in the parade. Other car shows or local events were also suggested.

At this time we will be dropping the thought of holding a golf outing. It is known we may lose our faithful sponsors but due to the recent lack of participation in the golf outing, the chance must be taken.

The discussion of a corn boil for next year can take place later.

Brian Gray has been appointed interim secretary until the next election.

For anyone that was not present at the meeting or has not heard, I have resigned my position as Secretary. It has been an honor and a privilege to have been elected your Secretary for the last 7 years but things have changed in my life personally and professionally and it is my turn to get off of the roller coaster. I would like to Thank everyone for all of the help and support that makes this club what it is. I will help Brian transition into the role of secretary and give him any support he needs.
