

The Well Armed Woman Shooting Chapters

Where The Feminine and Firearms Meet

Dutchess County NY Chapter

~~ General Information ~~

OUR PHILOSOPHY:

Our chapter believes that every woman, regardless of her experience level with firearms, is welcome to join us. We concentrate on education, drills and practice in a spirit of camaraderie, good will and helping each other learn and grow as we walk along the path of responsible firearms ownership. Since we focus on handguns, it is essential that members have a NYS pistol license.
