

Deposit agreement

This agreement is to purchase a puppy/dog from Whisenhunt Farms

Choices of pups are held ONLY by deposit and in order of deposits recieved.

Deposits are considered a committment to purchase. There are no refunds on deposits unless there is an unforeseen health issue with the pup at which time the deposit is refundable.

Deposits on all pups under 5 weeks old are \$200. Puppies that are 6 weeks or older are required to be held at 50% of the purchase price unless otherwise agreed upon. The balance of the pup is due upon receipt or before transportation is booked. All shipping charges are additional and are the responsibiity of the buyer.

PayPal is the preferred method of payment for deposits and must be paid via friends/family so there are no fees to me. PayPal is instant and the money is in my account within minutes.

A puppy agreement must be signed before the puppy is shipped or at pick up. The puppy agreement outlines the warranty on the longterm genetic health of the puppy. If you would like to view this agreement before you pay a deposit you must specify.
