
Bible Study

The Bible tells the story of God the Father's love for His children and His plan to fashion all people into one holy family.

God unfolds this plan of salvation through a series of covenants, culminating in the New Covenant He makes in Jesus.

In this course we will study the five key covenants God makes in the Old Testament in order to see how they are fulfilled in Jesus and the Church

Join us on Tuesdays

6:30-7:30PM

In the basement of
Saint Joseph Parish
