

Sharing the News

Giving with Grace

June 6, 2016

We Are So Excited!

Giving with Grace is now a non-profit organization! We just had to share this fantastic news with all those who have been on the journey with us to uplift, encourage and support our Sisters in need. We could not have reached this goal without you.

**Where we began,
where we are going
and who is coming
with us...**

In February 2015, Giving with Grace was an idea in Founder Stephanie Kitchen's mind. She shared her vision with Tamika Byer and Rachel McKinsey, both of whom jumped at the chance to join her and become co-founders. Giving with Grace, a public service ministry striving to make a difference by promoting the grace and simplicity of giving, was born.

Our first event was in June 2015 to promote our signature act of giving, providing intimate wear and feminine hygiene items to women and girls in challenging situations. Using a home event model and with the generosity of our supporters, we have donated over 5,000 personal care items to support this deserving population. We have also established valuable partnerships, leading to our official launch event held February 2, 2016 at El Camino Hospital in Mountain View, CA.

We envision expanding our acts of giving to meet expressed needs, create opportunities for compassionate givers, mentor youth and continuously educate groups and individuals on the power of a pure act of giving.

We hope you will continue to enjoy the journey with us and invite others to join us as we share the blessing of giving.

STAY TUNED

Special acts of giving are on the horizon. Look for news later this year about our efforts to promote childhood literacy with a Books and Bears drive!
