

# W O R S H I P

1GOD 1FAITH 1Church Universe Custodian Guardians Law-Giver Manifest

**W O R S H I P** is an act of religious devotion directed to **1GOD**.

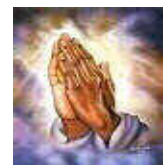

Worship is the adoring acknowledgment of **1GOD!** Creator of the most beautiful Universe's. **1GOD** is both HE & SHE. **1GOD** is the original Soul. Custodian Guardian worship the Creator of the physical & spiritual Universe's as **1GOD 1FAITH 1Church!**

An act of worship may be performed individually, in an informal or formal group, or by a designated leader. Many religious traditions expect regular worship at frequent intervals, often daily or weekly. Expressions of worship vary but typically include one or more of the following: Prayer, chanting, dance, devotional song, festivals, meditation, music, pilgrimage, sermons, ritual, sacraments, scripture, or simply private individual acts of devotion...

Religious worship happens in a wide variety of locations: in purpose-built places of worship, at home or in the open. Custodian Guardian worship anywhere except purpose-built places. **Note!** **1GOD** doesn't want purpose-built Palaces (e.g. Cathedrals, Churches, Mosques, Shrines, Temples & Synagogues ...) for worship.

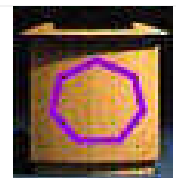

Worshipping **1GOD** entails praying, caring, using & enjoying **1GOD's** creations.

Worship is inclusive of everything which is pleasing to **1GOD**, whether they deal with issues of belief, or deeds of the believer. It may include everything a person perceives, thinks, intends, feels, says & does. It also refers to everything that **1GOD** requires, external, internal or interactive. This includes rituals, beliefs, work, social activities & personal behavior...

**Custodian Guardians worship !**

**1GOD** does not want sacrifices, but seeking, gaining & applying knowledge. Therefore Altars need replacing with Lectern. Custodian-Guardian seek, gain, apply Knowledge & practice Knowledge-Continuity.

**1GOD** does not want purpose-built places of Worship. Therefore purpose-built places of Worship need demolishing. Custodian-Guardian worship anywhere, anytime or on Fun-Day at a Gathering in a school.

## Custodian Guardian worship !

Supporters of **1FAITH** worship anytime, anywhere & group worship at Gatherings. Gatherings are held at Shire & Provincial Education facilities.

Supporters of **1FAITH** use a guide to worship. The guide is **1GOD's** latest message: *The 'Law-Giver Manifest' !*

Part of **Custodian Guardian** worship entails spreading **1GOD's** latest message & establish Gatherings. Worship is reserved for **1GOD** both **HE & SHE**. It entails starting a family being responsible for oneself, family, community & Humankind. It means living morally in thoughts & deeds including looking after body & Soul. **Worshipping 1GOD includes colonizing the Universe!**

**1GOD** is waiting to here from YOU ! 

Worshipping **1GOD** involves Praying. Praying is the best method of staying in touch with **1GOD**. When no 1 listens! When there is no hope! Pray! **1GOD** listens.

Praying is the most used form of worshipping **1GOD**. A Daily-Routine.

Praying is the most beneficial way (*safety-valve*) of expressing a persons inner turmoil & emotions. Try it !

Praying *helps* coping with heart-ache & grief. **1GOD** does listen !

Praying *with* a group gives unity & moral-strength. Prayers unite !

Praying *needs* to address a real & pressing need. Don't be frivolous !

Praying *needs* to be supported by relevant action. Praying isn't enough !

When bursting with Happiness share this moment with **1GOD**. Always !

Praying for the benefit of less fortunate is most rewarding. Try it !

For socializing & group-praying visit a Gathering. Try it !

**Note !** Prayers need **1GOD's** approval to succeed. Trust 1GOD's judgment !

For spiritual insights & inner harmony use **Meditation**.

**Meditating** is done without the use of plant or chemical supplements. Custodian Guardian only use the natural uncut unpolished Rose-Quartz.

When meditating the mind withdraws itself from all outside impressions then frees itself from all thoughts this stillness & silence is calming. After the calming you may glimpse truths of your Soul & insights relating to the purpose of life. **Note !** A troubled soul may give insights that create a state of anxiety if this happens **STOP meditating**. Try another day.

Supporters of the 1FAITH & Universe Custodian Guardians meditate alone. Except when visiting a Gathering (*IMGP*).

## MEDITATING :

Have a glass of filtered water before meditating.

Lie down on the ground or bed with a rough Rose-quartz on your forehead, lie still, straight outstretched on your back arms tight against body, eyes closed.

Then shut out all surrounding distractions finding inner harmony. Inner harmony leads to spiritual experiences. Strong spiritual experiences may lead to Deep sleep. **Note!** Deep sleep helps to regenerate mind body & soul resulting in a healthier more content person.

Rose-Quartz when used while meditating may reduce anger, anxiety & depression. Revitalize the body physically, emotionally & spiritually. Enhances communication with 1GOD. The crystal for heart & soul.

Meditating is not always successful. Stop & try some other day.

## I M P P Intense Meditating Personal Praying

Intense Meditating Personal Praying (*IMPP*) may be used when there is a pressing need to communicate with 1GOD. IMPP is best when alone at home. **Note!** IMPP should not be used constantly.

### How to I M P P:

Sit on the ground legs stretched out hands folded in your lap eyes closed

With the upper body start gently swaying forward & backward

Keep swaying & start chanting '*For the Glory of 1GOD & the Good of Humankind*'

Keep chanting until you feel trance-like then start chanting your prayer

The prayer you chant may be 1 from the prayers-guide or your own

You may chant the prayer as often as you feel necessary

When finished chanting stop swaying open your eyes & get up

**Note!** Meditation stone of the 1FAITH the Rose-quartz is not used.

## GATHERING

The **Gathering** is open from 1 hour after Sunrise to close 1 hour before Sunset (*Time-Triangle*) on Fun-Days. Many Fun-Days have Themes, Shame, 'Celebrations & Memorial days'. A Gathering is not only a religious get-together but also is for socializing: *Pray, discuss, chat, eat & drink (non-alcoholic), sing & dance, laugh, play & harmonize*. A **Gathering** keeps local customs & traditions alive (*cuisine, dialect, dress, music & dance*) as long as they do not contravene the 1FAITH.

## Start a Gathering

Can't find a Gathering. Supporters find a minimum of 7 people then get together that is a *Gathering*. The 1st Gathering may be held at home. Alternatives are a SmeC, PHeC or School.

## Group Praying

Prayers may be a group (*2 or more*) event. Group Praying is used when an individual needs moral support from others or when it concerns community issues. Group Praying is common at Gatherings. Pray together with others.

## I M G P Intense Meditating Group Praying

IMGP 'Intense Meditating Group' (*2 or more*) praying may be used when there is a pressing need to communicate with **1GOD**. Group Praying & Intense Meditating Group Praying (*IMGP*) is common at Gatherings. Pray & Meditate together with other Supporters of the **1FAITH**. **Note !** If you want the group to chant your personal prayer talk to an Elder at the Gathering.

## Intense Meditating Group Praying (*IMGP*) how to:

Form a group

Stand on the ground start stomping your feet eyes closed

Keep stomping & start clapping your hands

Now start chanting '*For the Glory of 1GOD & the Good of Humankind*'

Keep stomping, clapping & chanting until you feel trance like then start chanting your prayer

The prayer you chant may be 1 from the prayers-guide or your own

You may chant the prayer as often as you feel necessary

When finished chanting stop stomping & clapping open your eyes & relax

**Note !** An Elder should start the IMGP

## 1GOD loves a Gathering

**Worship 1GOD**

**Support 1FAITH 1Church Universe Custodian Guardians**

Part of worshipping is having a 'Daily-Routine' !

# DAILY-ROUTINE a human need.

1GOD 1FAITH 1Church Universe Custodian Guardians Law-Giver Manifest

A 'Daily-routine' is essential to meet '*Obligation 2 (Protect the human body ...)*' & be ready to face upcoming challenges. Get up, have a glass of filtered water, go toilet, do 'Daily-Fit (*Exercises*)', worship '**Daily-Prayer**', wash face & hands, have breakfast & get dressed. Check your 'Planner'. Now your ready for challenges. Going outside put on Protective-clothing 'Have a Good-Day, may 1GOD Bless you'.

A 'Daily-routine' includes cleanliness & feeding not only of I but all other people & creatures depending on you. Wash hands after every toilet visit & before every feed. Wash face before every feed. Brush teeth & wash whole body before going to bed. Feed 5 times a day: '*Breakfast, Early Day-snack, Lunch, Late Day-snack, Dinner*'.

**Note!** Before every feed worship: '**Thank\_You\_Prayer**' !

A 'Daily-routine' includes being good & punishing Evil. Being good involves doing '*Random acts of Kindness*'. Be kind to I, to people around you, the community, other creatures, the habitat... 1GOD loves Random acts of Kindness. Punish Evil every-time use the '**Law-Giver Manifest**' as guide.

Endeavour to 'Seek, gain & apply Knowledge', '**Learn & Teach**' & pass on 'Life-experiences'. Learning, Teaching passing on Life - experiences are essential to a useful 1GOD pleasing existence. These activities help in '*harmonizing*' with the surroundings & survival of species.

Rest is needed for survival & good health. The main rest is '*Sleep*'. Sleep ends the Daily-routine. 1hour should have passed since feed & cleansing.

Worship: '*Sleep-Prayer*'. To get restful re-vitalizing sleep the bed-room must be as dark as possible & an absence of internal & external noise is a must.

**Note!** 'Shire' (*Local-Government*) must implement '*Night-curfew*'.

## Hints

When going outside always wear suitable 'Protective-clothing'. To protect (*eyes, hair, skin & feet*) the human-body from climate, disease & pollution.

When doing Daily-Fit (*Exercises*) use commonsense on how fast to reach maximum repeats. Exercising 1 day & not exercising the next is not beneficial.

When feeding avoid unhealthy Nourishment e.g. Alcohol, Fructose, Manufactured-food & (*GM*) Genetic modified food.

When using your Planner & at work or study don't let Time control You! Time should not be used to hurry people. The human body is not designed for hurrying.

Day start: 0 hours **Sunrise** ~ **Early Day** is from 0 - 7 hours ~ 7 hours is **Mid-Day** ~ **Late Day** is from 7 - 14 hours **Sunset** ~ **Night** is from 14 - 21 hours
