Fundamental Music Instruction is proud to be providing instrumental music lessons at your school this year. As you may be aware, we have a very active program which provides instrumental music instruction to students who wish to learn any of a wide range of instruments we have available.

There are 4 levels of classes offered:

1. *Genesis Music Classes (Offered After School Only)* – These classes are for 1st and 2nd Graders. Students in this class may choose from PIANO, GUITAR or XYLOPHONE
2. *Cadet Music Classes (Available During school, afterschool or both)* – Students from grades 3 and older who are beginning an instrument.

Choices in this class are:

FLUTE, CLARINET, SAXOPHONE, TRUMPET, TROMBONE, DRUMS, PIANO, GUITAR or VIOLIN

3. *Intermediate level Classes (Available during school, after school or both)* – Students who have completed the cadet level are then assigned to the intermediate level (it usually takes 1-2 years to complete the cadet level to enter the intermediate level)

(Students who have taken an instrument before can also take these levels)

4. *Advanced and Honor Band Levels (Available during school, after school or both)* – These are our most advanced level classes and are usually by recommendation from the intermediate level

Our band program runs from September to May.

Lessons are given in a small group setting on a rotating basis either:

During the course of the school day or After School – Depending on Age and availability.

Programs of this nature are not subsidized by the school and a tuition program has been established.

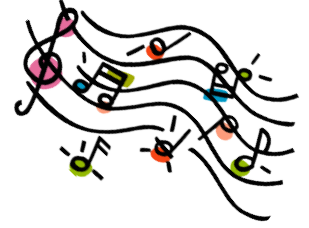

This tuition covers the teaching services of our educators.
