

## **Governance!** Applies to all provinces.

People need justice! Governance brings justice! Custodian Guardian support 2 tier equal representation Governance, spiritual (**Klan, Orackle**), political (**Provincial Parliament, Shire Council**). Governance comes through multi candidate 1<sup>st</sup> past the post elected.

Governance comes through elected equal representation committee. Leadership by 1 is Tyranny! Governance by elected committee sharing responsibilities is fair.

A committee has equal representation of He and She. The Gathering has an elected committee of 7 He, 7 She who form the 'Klan'. The Oratory has an elected committee of 7 He, 7 She who form the 'Orackle'. The Shire Council has 2 elected (**1 He, 1 She**) + 3 Appointees who form a 'Council'. The Parliament consists of elected 35 He, 35 She. These elected then elect 7 He, 7 She to form Government.

Governance needs Accountability. Governance makes Rules (**Laws**), regulations (**guidance**) and enforces these rules. Rules are based on Social-Justice and Moral strength. Rules enforcement establishes Truth hands out mandatory Sentences uses Rehabilitation and fair compensation to give Justice!

## **Political Governance**

After establishing a Province it is divided into 35 political districts. Each district elect every 4 years (**Quattro years NATm**) 1 He 1 She to Parliament for a term of 4 years. Rulers are elected as individuals not as a group (**political party**). The candidate (**He, She**) with the most votes is elected. The 70 elected are known as Rulers. Any Ruler not completing the term is replaced by the person with the next highest vote.

Who can be a candidate? A He or She no younger then 35 or older then 70. Is or has been a parent. Is mentally and physically fit. Is an employee. Has not completed any caged Rehabilitation. Not suffering a sexual disability (**child molesting, confused gender, same gender**). Has no University education. A member of the Universe Custodian Guardians cannot stand for election to Parliament. But Supporters can.

Rulers 1<sup>st</sup> elect 1 He and 1 She. Both become Legislators. The 1 with the higher vote becomes 'Chief' and the other 'Ruler Umpire'(example, **She is Chief and He is Ruler Umpire**). Same amount of votes the more senior becomes Chief.

Next Rulers elect 3 He and 3 She Legislators. Tied votes the more senior become Legislators. The Chief disburses, 5 Commander's (**Environment, Exterior, Interior, Knowledge, Shire**) and 1 Auditor portfolios. The Province is now governed. Parliament is elected by free people for the good of the people, environment and fulfilling the Provinces Destiny: Space exploration and colonization.

Parliament Legislation presented cannot be amended but withdrawn. Every Ruler gets to talk 3 minutes to support or defeat or withdraw the presented Legislation. Rulers must vote either 'For', 'Withdraw' or 'Against' abstaining is not possible. Refusing to vote counts as 'For' vote. The Ruler Umpire has no vote. Legislation is passed with 36 'For' votes by secret ballot. **Note!** Passed Legislation applies next-day or may be backdated. Failed or withdrawn Legislation can only be represented in altered form.

Parliament sits during 6 months (2, 4, 6, 8, 10, 12) of the year. In an election year (**Quattro**) the election is held on the last day of the 1<sup>st</sup> month (**Star**). Electioneering starts in month 13 (**Solar**) of the previous year. Lapses during Passover and continuous in Star month until the 2<sup>nd</sup> last day of the month. Advertising is only digital. No (leaflets, junk mail,..) paper (reduces garbage, saves trees,..), no rallies.

The Ruler Umpire chairs Parliament, administers Parliament and elections. Investigates Government corruption, criminality, incompetence. Were needed initiates prosecution. The Ruler Umpire answer's to Parliament not Government. An incapacitated Ruler Umpire is replaced by Parliament's most Senior Ruler.

## Government

Government provide external and internal security, provide enough drinkable water, enough eatable food, protective shelter, free health care, free education, rewarded work, dignified retirement and end. Government supports the family unit (**He, She, at least 3 live births**) Quarantines: child molester, homosexual, transgender, encourages community living. Supports population growth to fulfill Humankind's Destiny: exploration and colonization of Space. Government is 2 tier: central (**Province**) and local (**Shire**).

Provincial Government implements past legislation and initiating new were needed. Government uses the 'Law-Giver Manifest' as guide. Parliament approved rules become 'Provincial-Law', approved regulations become 'Shire-Law. Laws need to bring or appear to bring 'Justice'.

Provincial Government creates a 'Shire', using a formula consisting of area size and population density. It appoints 3 Advisers ('Habitat Adviser', 'Lifestyle Adviser' 'Welfare Adviser') to the 'Shire'. The Provincial Government audits all 'Shire' activities.

For economic management (private ownership is abolished, unions are deregistered), wages and conditions are set by Provincial Government and reviewed annually. To set conditions and wages they are standardized (weekly minimum wage and a multiplier).

**Note !!** For best economic management everyone's a wage earner.

There are 7 pay grades. Pay grades for Parliamentary Rulers: **wmw x 5** > Rulers, **wmw x 6** > Ruler Commander's, Ruler Auditor, **wmw x 7** > Chief Ruler, Ruler Umpire. When Rulers leave Parliament their benefits end. They go back to their previous pay grade.

Provincial Government appoints 1 Judge to the Space Exploration Court. There are 7 Judges on this court 1 from each Province.

Provincial Government resides in the Legislative Chambers at the Parliamentary Compound. They meet around a Heptagon table.

## Justice

To have Justice you need Laws, which are made by Government and enforced by Courts. Laws need administering. Alleged breaches of Rules are investigated by, Marshall's' Office (Province). Alleged breaches of Regulations are investigated by, Sheriffs' Office (Shire).

Space exploration, colonization need rules (laws) a Space Exploration Court (S>X C). S>X C rulings are binding for all Provinces !!!

Law, must punish injustice, uphold community standards (equality, community duties, community rights), give an appearance of, Fair. Laws are to protect the weak, keep honest the powerful! Laws are to ensure, that a community is secure, lives in harmony with the environment.

**Bad Law** is unjust corrupt evil. It is legislation by Government allowing a minority to take advantage of the majority through plundering

(stealing), exploiting (ripping off). Bad Law is to be rejected by officers of the court, replaced by Parliament. Backdating legislation is enacted to have all existing bad law retried, mandatory sentencing applies. Government that establishes or lets Bad Law exist. Is voted out of office held accountable, 'MS R6'.

**Freehold** land is public land plundered from the community by corrupt criminal government. They either gave away land (squatting) or sold it to criminal greedy profiteers (speculators). Cancel freehold, confiscate all private owned land, buildings without giving compensation. Hold accountable any individual or organization profiteering from freehold, real estate (see Chain of Evil). 1 God created planet Earth to be used, enjoyed equally by all of Humankind. Freehold land, privately owned dwellings are insulting to 1 God. Every piece of real estate on this planet or any other place in the Universe belongs to the community (Shire) for the equal benefit of all.

**Copyright, Patents** is the greedy application of intellectual property. A community gives people the means, opportunity (free education) to develop intellectual property. Therefore all intellectual property is community property to be used by all! Selfish use, profiteering from intellectual property is plundering the community a Crime! 'MS R6'.

**Privatization** of community assets: Power utilities (gas, electricity); water utilities (desalinization, pipes, reservoirs, sewerage); public transport (local, long distance); freight long haul (air, land, sea, space); Communication (internet, mail, radio, television, satellite). Confiscate all privatized community assets without giving compensation. Then turn them into 'CRON'. Prosecute any person or organization profiteering from privatized community assets, MS R6 Government privatizing of public assets is stealing from the community. It is held accountable, MS R6

**Tax deductibility donation** is legalized 'Tax avoidance' by corrupt Government. Tax Avoidance is stealing from a community by well off! Cancel Tax deductibility donations, Tax avoidance, Tax minimization,... Government that facilitates these Tax evasions is criminal, is replaced and prosecuted: 'MS R6'.

**Diplomatic Immunity** is unacceptable nobody is above punishment for crimes committed. Diplomatic immunity allows foreigners to commit crimes without punishment. Diplomatic immunity is revoked and crimes prosecuted.

**Double Jeopardy** allows a criminal to go free without Rehab. Sometimes incompetent prosecution or cunning defense result in injustice a

'Not Guilty' verdict for a crime committed. When new evidence is available a retrial becomes necessary. The 'Double Jeopardy' principle prohibits this from occurring. It ends! No crime should go unpunished. If new evidence surfaces there must be always new prosecution possible until total Truth has been achieved.

**Statute of Limitations** is unacceptable there is no limit on accountability. Statute of limitations needs to be replaced with prosecuting. There can never be a time limit on accountability.

The purpose of Courts is to establish 'Guilt' or 'absence of guilt' for alleged breaches of rules (Provincial Law) or regulations (Shire Law). The tool used to establish, if there were breaches, is to establish 'Truth'. Truth is found by cooperation not adversarial.

**Note!** Unjust, corrupt adversarial Court system is replaced by: 'Just' Fair, cooperating court system which establishes Truth!

**Truth:** What happened? What caused the happening? Was human ignorance involved? Was human negligence involved? Was human evil involved? How to give justice through compensation and rehabilitation. What lessons can be learned from this happening?

**Courts** there are 2: 'Provincial Trial Court (PTC)', 'Shire Hearing Chamber (SHC)'. Appeals are heard in both. There is no civil litigation. Both Courts handle 'Accountability and compensation'.

'Provincial Trial Court' tries cases that if 'Guilt' is established 'MS R' is served in Provincial Rehabilitation. 'Shire Hearing Chamber' tries Cases that if 'Guilt' is established 'MS R' is served in Shire Rehabilitation. Rehabilitation involves education, asset seizures and caging.

Provincial Law enforcement consists of Marshall, Ranger and Sheriff, Sentinel. Marshall and Sheriff are independent. They are not appointed or elected. They are the result of a career path: Apprenticeship, work experience, advanced training, education, promotion by seniority of people with the same qualifications.

## Education health

Provincial Government provides 'Free Education' from unborn to including Seniors. Non Government education is closed. Education is a collaboration between parents, educators, medics. It involves Free education, Free health and Apprenticeships. No Universities.

**SmeC** 'Shire medical education Complex'. PHeC 'Provincial Hospital education Complex'. PDEc 'Provincial Defense Emergency center'. CE 'Community Emergency service'.

## Migration

Migration is classified as long term (**re settlement**) or short term (**travel, tourism**). Re settlement is only possible within a Province. It is moving between Shires. **Exemption**, 'Israeli' they can only live in the 'Promised-Land'. They cannot leave the Promised Land. Israeli found outside the Promised Land are immediately transported to the Promised Land.

**1 God's wish!!!** Travel is only possible within a Province. Passports are obsolete. Business or Government use Internet or Video-conferencing to communicate with other Provinces.

As resources diminish, population increases Provinces need to prepare for the next migration, 'Space'. It furthers Humankind's Destiny: **Space-Exploration (S-X)**, Colonization, becoming custodian of the physical Universe.

## Crematorium

A **Crematorium** is a provincial public service facility. This facility administers a morgue, end portal and garden. Here the dead have an autopsy, are fare welled and recycled.

Cannibalizing the human body before during or after autopsy is immoral is criminal. Cannibalizing is removing body parts, body fluids, eggs, sperm. **Body part cannibalizing accountability: MS R7**

Graveyard funerals are unacceptable because a growing population needs to use the land more useful. These funerals create Ghosts by not releasing a Soul. Graveyard's are favored by evil elitist showing off: **Expensive coffin, expensive Headstone, pompous landscaped mausoleum.**

Preservatives in food stop body from decomposing stopping reuse of graves. Graves encourage crime, robbing, vandalism. **Neglected graves have unhealthy vermin,..**

No more new Graveyards. Existing Graveyards are closed, dug up. Remains are cremated and spread over the Crematorium garden. The land is to be used for other purposes.

## Space-Exploration, Colonization

Each Province build and put into orbit a 'Space>Exploration port' (**S>Xp**).. All exploration is initiated from a **S>Xp**. A **S>Xp** is also quarantine for all in, out coming traffic. **S>X** needs rules a **Space Exploration Court (S>XC)** operated by the 7 Provinces.
