Confidential Application - Class of 2020

Thank you for your interest in Leadership Lake County, an independent 501(c)3 leadership program established in 1990 and dedicated to the development of Lake County and its community leaders. Our goal is to provide a forum for participants to **increase their awareness and commitment** to the development of the Lake County community. The program provides a greater understanding of the complex social and economic issues that are shaping the future of Lake County and its residents. By raising the levels of awareness, knowledge, and active participation in the county as a whole, class members are **better prepared to lead the county** in the future.

All applications will be reviewed by the Leadership Lake County Board of Regents Selection Committee. Individuals will be selected based on the merits of your application as follows:

- Individuals who have demonstrated participation and contribution to the Lake County community.
- Individuals who represent a cross-section of all facets of the community.
- Individuals who will commit to a two (2) year involvement (as described below).
