

SPRINGFEST IN HELEN
163 Laurelbrook Drive
Leesburg GA 31763

Dear Concours Entrant,

Thank you for registering to participate in the Concours d'Elegance competition during Springfest in Helen, Georgia.

As with most Corvair club-sponsored competitions, the judges for our Concours event are all fellow Corvair enthusiasts who have graciously volunteered their time and best efforts to make things as successful as possible.

Unlike the national Concours d'Elegance, our competition focuses on wear and cleanliness only. We do not consider if equipment is "stock", "factory original", "after-market", "safe/unsafe" etc.

We normally have very limited time to successfully judge all entered vehicles. Therefore, we cannot provide feedback regarding specific deductions for vehicle condition. However, you will receive your completed score sheets at the Awards Banquet.

If we experience inclement weather during the Concours event, we respectfully request that you remain very flexible and understanding as we do our best to work around Mother Nature.

Although the judges have agreed to avoid sitting inside the vehicles, they will be physically sticking their upper bodies inside to conduct the required inspections.

Though we ask you to remain with your vehicle throughout the judging time to assist the judges as needed with opening and closing doors, trunk and engine lid etc, it is critical that you not influence nor interfere with the judges.

Please have fun and enjoy this friendly competition!

Respectfully,

Dean F. Gemberling
Chairman, Concours d'Elegance
Springfest in Helen
