Meet Our Winemaker

We are pleased to introduce John Conroy, the winemaker for Four Fools.

John first became interested in winemaking after meeting a friend with a biochemistry degree and a passion for wine. Together they began their "hobby," a journey through the process of processing grapes and making wine.

John continued his experi-

ence with classes in winemaking at UC Davis. He decided to make his dream of a boutique winery a reality with a little help from his supportive friends and family.

John loves talking about wine and meeting people who share his passion. Drop by the winery and have a glass of wine and a chat with our winemaker.
