Edius, Final Cut, ENPS, AP Style, Twitter, Wordpress, Prezi, Adobe Illustrator, Server-based media and non-linear editing equipment, Microsoft Word, Excel, PowerPoint, Audience traffic tracking systems

Excellent written and verbal communication skills

Experience

NBA

Kia All-Star Reporter

- After winning a national talent search, I earned this title and an opportunity to interview 10 NBA all-stars and legends during the 2014 All-Star Weekend in New Orleans. Each interview lasted approximately 25mins.

WOAI (NBC)

Producer/Sports Reporter (unpaid)

- Identified, researched, created, shot and edited packages to be aired on the 10:00 news. Produced live telecasts, wrote scripts, logged games, edited packages using Final Cut Pro 10 and Edius. Interviewed several members of the San Antonio Spurs, UTSA Roadrunners, and Trinity Tigers.

KABB (FOX)

Production Assistant

- Assisted the sideline reporter, color commentator, and play-by-play announcer on-site at KABB's 11-week live high-school football broadcast Thursday Night Lights. Gathered and uploaded local high school football scores for the KABB live sports show High School to the Max. Also assisted with cameras, teleprompter, and script writing.

San Antonio Talons

Social Media Analyst/Commentator

- Provided stats, commentary, quotes, and play-by-play to the fans of the San Antonio Talons (Arena Football) instantly through the organization's official Twitter and Facebook pages.
