Your Property Manager

Mother Nature brought us some cold and rainy weather on April 15th, but that did not stop any families and kids from participating in our annual Easter Egg Hunt. THANK YOU ALL for joining us that day! And a special CON-**GRATULATIONS** to our two winners for finding the Golden Eggs!

After being couped up during the winter season, it's certainly nice to finally enjoy the outdoors. Please take extra safety precautions with your children as they too take advantage of the warmer weather while playing outside. Also remind them that they are not allowed to climb on any property equipment, cars, roofs, and porch railings.

Tenants, don't forget about our "Tenant Referral Program". If you refer a new tenant to Dakota Acres, who commits to a lease and has occupied their unit for one month, you will earn \$300 SAVINGS off of one month's rent! So tell your friends, coworkers, and family to call

me for a tour, and be sure they tell me who sent them!

As you know, rent is due on the first of each month and can be paid by check, major credit/debit cards (Visa, MasterCard, & Amex), and money orders.

CASH WILL NOT BE ACCEPTED! Use the drop box at the Management Office for after hour payments, or pay through your Tenant Portal at DakotaAcresApts.com.

The Management Office will be closed on Monday, May 29th in observance of Memorial Day.

As you know, Jen and I are always available to respond to all of your maintenance requests. However, did you know that you can also use your tenant portal place also your maintenance requests? It's quick and easy to do!

This spring season brings us warmer weather during the day and cooler nights. Please remember that if the outside temperature is not at least 65° and above, DO NOT RUN YOUR A/C UNITS! If you do so intentionally, the unit will freeze up and leak in your apartment, and in addition will damage the unit itself resulting in you being liable for any necessary repairs.

I have noticed that there are several cars on site that have expired registra- Italian cuisine will offer a tion stickers. As you know, non-running and unregistered vehicles are not allowed to be kept on the vations at 701.838.7746. property and is in violation • of your lease.
