

*Please read below to see how you can get your deposit taken care of
so that your dancer gets a costume ordered!*

These are the 2 different options for payment of costumes:

1. You can pay the entire balance of the costume upfront by October 22nd/23rd (depending the day your dancer attends class). Your dancer's total costume price is **\$68.00**. You can pay in person on the 22nd or 23rd or notify us that you'd like us to charge your card on file. We also have a studio venmo account (@thedancespotutah).

2. You can pay half of the balance on October 22nd/23rd (**\$34.00**) and the remainder of the balance when the costume arrives (**\$34.00**).

We will place the order for costumes immediately to ensure that they arrive in time for the Christmas Show. Failure to pay the deposit by the above date will result in a delayed costume.

Dancers' measurements will be taken during class time to select the size of costume. We will NOT try on the costume at the studio when it arrives. Please try on the costume ASAP and let us know if there are any size discrepancies so we can get it taken care of immediately.

You dancer will wear **tan tights** and **black ballet shoes** with their costume; we sell both of these items at the studio. If your dancer's size isn't in the studio at the time, we can order them and get them here in approximately two weeks! We have physical try-on sizes for shoes and a size chart for tights. The price for ballet shoes is **\$17.03** and the price for tights is **\$8.41**.

Costumes may come with a hairpiece. Hair style for performance and pictures is at your discretion so you can decide how to wear the hairpiece.

Dancers will wear this costume for the TDS Christmas Show (**December 21st**), End of Year Showcase (**May 29th**) and Spring Pictures (**Date TBA**).

Any other questions regarding costumes, please feel free to ask!
