

Dear Giant Pumpkin Grower Club Member,

Wallace Organic Wonder (WOW) is gearing up for a BIG 2019 season! This will be my fifth year in business and I am excited to report that “support” from the giant pumpkin growing community continues to be tremendous!

It has been, and still is, challenging work that has been very educational. Using my website, social media, blogs, and newsletters, I have tried to spread the word about what the “giant pumpkin community” has done for gardening world wide.

Your support has helped place WOW in a position where I was able to once again give back to this wonderful community. I am pleased to announce that WOW has made a \$2,000 donation to the Great Pumpkin Commonwealth for use at their discretion. This will bring the total amount of contributions from WOW to \$6,825. As WOW becomes more successful, I am confident that I can continue to donate even more to the GPC and all the growers in the future.

If your club is having a seminar and you are interested in significant savings on bulk orders, please see the attached price sheet. I’m pleased to be able to offer the products at the same price as last year. One change I have to make is I will have to charge clubs my cost on shipping bulk orders. I have absorbed the ever-increasing shipping costs throughout the previous four years. In order to keep my prices in line for bulk savings, I unfortunately have to make this change. I will not be adding ANY handling fees like most companies do. I will simply be charging what my costs are to ship your order. If you have any questions about this change, please don’t hesitate to contact me. Bulk orders must be placed no later than 14 days before your seminar or pick-up date. I only ask that one check for the entire order be made payable to Wallace Farm, LLC for payment.

Please email me at [ron@wallacewow.com](mailto:ron@wallacewow.com) if you have any questions. I thank you and your Club Members for your continued support, and I look forward to the opportunity to serve your members with high quality products, good pricing, and superior service!
