- * Insert a Table into a word document.
- * Shade, bold and center the headings row.
- * The periods are to be centered.
- * The place should be right aligned.
- * Change the font size to make your table large enough to take up most of the page. Don't leave large blank spaces on your document.
- * The title should be made in word art and include Your Name and Dream Schedule.
- * Add a border around the entire page.
- ~~* Be prepared to share your schedule with the class.~~
- * ~~Print one copy (After you are sure it is perfect and put it in your Portfolio).~~

• Make sure that your name is in your dream schedule

• Make sure it takes up the whole page.
