

WHAT IS THE BIBLE?

(a Motivational Devotional)

This study has been arranged to help you to discover and answer to that question as well as increase your motivation to read and study God's Words daily. The more we realize and focus on what God's Word is and does, the more we should make it a vital part of our life! Jesus said, "Man does not live upon bread alone, but by every word that proceeds from the mouth of God" (Mt.4:4). The most important thing to realize is that God has revealed to us everything He wants us to know about Himself - Who He is and What He's done - through His Word. So look up the following verses in answering the questions. First of all, pray Ps.119:18.
