

ABA Program Director

Merakey is growing! We are looking for a program director to oversee our center-based and home-based services in Dearborn, MI.

ABOUT OUR PROGRAM

Special Education and Behavioral Connections provides Applied Behavior Analysis services through the Michigan Autism Waiver to children and adolescents with an Autism Diagnosis. These services are designed to meet the increasingly complex challenges of those with an ASD diagnosis by providing the right supports in the most efficient, effective, evidence-based manner to enhance traditional programs.

MERAKEY IS PROUD TO OFFER THE FOLLOWING BENEFITS

- Medical, Dental, and Vision Insurance Plans
- Flexible Spending Accounts
- Short/Long Term Disability Coverage
- Life Insurance
- 403B Retirement Plan (with company matching)
- Marketplace Savings Program
- Employee Assistance Program
- Wellness Programs
- 24-Hour Nurse Hotline
- Tuition Reimbursement
- Generous Paid Time Off
- Work/Life Balance
- Competitive Compensation Plans
- Opportunities for professional growth and advancement
- Stability that coincides with working for a national leader in education and human services

POSITION DETAILS

As the direct supervisor of the program, the **Program Director** will be the primary contact for families and stakeholders. This position's primary role is to oversee the operations of the program. This includes human resources, performance quality improvement, monthly reports, and the contact person for the center.

POSITION REQUIREMENTS
