Rules and Regulations

Rule books may be obtained at the NAPHA website: www.napha.net. In the event that a judge or other official is unable to perform duties, MAPHC reserves the right to substitute an equally qualified judge or official. Any exhibitor desiring to discuss his/her placing with a judge **MUST FIRST** obtain permission from the show management.

New NAPHA Rules Pertaining To Amateur/Professional and Novice Rules:

Anyone competing in a class or division declared for "Amateurs only" must have a signed NAPHA Amateur Declaration on file with NAPHA. Amateurs must file annually. Regardless of one's equestrian skills and/or accomplishments, a person is an amateur if after their 18th birthday they have not engaged in any of the activities identified in PART X Glossary of Terms, Section 10 Professional, of the NAPHA Show Rules. Every person who has reached his/her 18th birthday and competes in classes for amateurs under NAPHA rules must be listed on the NAPHA website as an Amateur or have signed a NAPHA Amateur Declaration and filed with the show secretary, prior to the start of the show that morning of the class entered.

Amateur status will be issued only on receipt of the application properly signed and is revocable at any time for cause. Any person who has not reached his/her 18th birthday is an amateur and does not require amateur status. See PART X GLOSSARY OF TERMS for complete definition of Amateur and Professional, of the NAPHA Show Rules.

Novice Classes:

Anyone competing in a class or division declared for "Novices only" must have a signed NAPHA Novice Declaration on file with NAPHA. Novices must file this form annually. An exhibitor (18 years and older) can compete in the Novice Division for a period of 3 years. If the Novice, at the end of 3 years, has not competed in more than 8 NAPHA-approved shows during that period, they may extend the time period for another 3 years (double shows count as one show). However, if at any time, a Novice competes and wins a Champion title in gait, breeding, or performance (any other division above the level of Novice) they will be immediately excluded from competing in the Novice Division at future shows.

Owner:

The name on the certificate of ownership, issued by NAPHA, AAOBPPH, PPHRNA, OR PHAC, and their minor children. If the horse is owned by a ranch, corporation or family trust, the individuals' names must be registered with NAPHA. Lessees will not be allowed to show leased horses in classes where only the owner is allowed to ride.

Drugs & Artificial Appliances

The USEF rules on drugs apply. NAPHA retains the right to assert administrative sanctions in relation to responsibility and appropriate fines for positive test results, outlined in these rules. The use of artificial appliances and drugs shall be prohibited in all phases of horse exhibition in or out of the show ring. No horse shall be eligible for competition in any class if it has been administered a forbidden substance. It is understood that drugs can stay in the horse's system for several days, and individual horses can react differently to the same drug. It is recommended to consult with your veterinarian prior to administration of ANY drugs to assure USEF compliance.

A positive test is considered the responsibility of the owner and the assigned trainer, both of whom may be subject to a \$500 & \$300 fine, respectively, and disqualification from the show. Awards, prizes, and ribbons must all be returned. Refusal to submit a horse for examination, or failure to cooperate with the veterinarian and/or technicians until the samples have been taken, constitutes a violation and subjects the responsible person(s) to the penalties under the rules. Testing may be conducted on a random basis and at the discretion of Show Management.

At least five horses will be tested. The show committee may test on any day that it selects and test any horse that it selects. The veterinarian must draw at least two separate vials from each horse for testing and have one of the vials tested at a certified laboratory and keep the second in his possession. The collection of blood must be witnessed by the Show Steward or a show committee member who is not an exhibitor, and the second vial must be sealed and stored by the veterinarian for possible retesting.

Health Information

Each horse must test negative for Coggins within twelve (12) months of the date of exhibition. Each horse must be accompanied by a certificate of veterinary inspection that indicates the results of the Coggins test. ***A Certificate of Veterinary Inspection within thirty (30) days before the show is also required for horses coming from out of state.*** Exhibitors MUST show their veterinary papers to the barn superintendent BEFORE unloading their horses.
