

For Our Veterans

February 19, 2025

The local branch of the Veterans Administration has made the decision to **close the acute care unit at the Castle Point VA hospital.**

This unit is critical to veterans who are in crisis. This is where they go if they are experiencing drug and alcohol related problems and mental health crises which may include ideations of suicide.

This unit saves lives!

Please hand-write and mail a letter to

Veteran's Health Administration

c/o Joan McInerney

120 White Plains Road

Suite 5000

Tarrytown, NY 10591

and **DEMAND** that the Acute Inpatient Care Unit at Castle Point VA be **reopened immediately** and that the VA **preserve all medical services offered in this unit.**
