Rough Terrain Mobility		
Mobility Class	Mobile	Immobile
	Die roll	Die roll
T	1-5	8-10
HT	1-3	6-10

Roll once upon entering on the Immobile column for each unit. Unit becomes immobile die roll falls within range. May not move further. On the next friendly movement phase roll on the Mobile table. Unit becomes mobile and may move if die roll falls within range.
If a mobile ARV is present subtract -2 on mobile die roll
If a mobile AFV is present subtract -1 on mobile die roll

Units may always move at least 1 hex unless terrain is prohibited
