Dear Inspire Families,

We are excited to get our 2018-2019 season underway. If you are new to our program welcome! Returning dancers, we are happy to have you back! Last season was very eventful with the move to our new larger location. The move has not only made waiting for your dancer less crowded but has offered us the opportunity to offer you more classes and add to our amazing staff. We are so happy we have been able to make this change to offer your dancer our best. It is our goal as a studio to serve ALL of our dancers. Whether your dancer is dancing recreationally or dancing competitively we want them to have a positive and rewarding experience at Inspire. We feel all dancers can learn teamwork, gain confidence, as well as increase their physical strength and flexibility through dance. No matter what your dancers age, ability level, or commitment level we feel dance can be a very positive part of their lives. One of the biggest reasons Inspire is special is our talented and loving staff. Each teacher has been chosen for their experience in their genre as well as their passion for helping our dancers reach their full potential. Here at Inspire EVERY dancer is important and we want EVERY dancer to grow this season. We truly do love what we do and are excited to share this season with you.

Sincerely,

Trista Horner

Studio Director/Owner
