

Hi!

I'm Nikki, the manager of the Jump! North Austin! I grew up in both Austin and San Antonio and now attend UT. I have been coaching at Jump! since 2016 and I'm very excited to teach both dance and gymnastics here. I have been dancing since I was three and began teaching dance while still in High School. Outside of Jump, I am

majoring in Entrepreneurial Business Management and I am also the President of the Longhorn Dance Company. I only have one semester left!

I am a pretty detail oriented coach and love to make sure that everyone is doing their skills correctly; right down to their pointed toes! I'm very hands-on and engaged throughout class so everyone is always learning and improving their self-confidence. I also encourage my students to do drills at home and love talking to parents before and after class about progress - so don't run out! I love working one-on-one and try to make sure everyone receives attention no matter the skill they are working on.

A few fun facts: I have two kittens named Eleanor and Theodore and a hedgehog named Noel

If you ever have any questions about class, skills, or anything else, I am available before or after class and in the front office as well:)
