Welcome to Hookah Harem!

Some Notes:

First things first, if you haven't signed up with our FREE Loyalty Program, then stop what you are doing and tell the attendant that you want a sign-up form!
How does it work? Details are on the sign-up, but pretty much you get a free session after 8 sessions (Better than a 10-time punch card that you will loose anyway, right?)

We also have a Referral Program, free too. After you sign up for the Loyalty Program, you may ask for 3 referral cards per visit. Put YOUR name in the blank space and give them to people that have not been to Hookah Harem before. They will get 50% off their hookah session (tower, additives, etc.)
Each visit, check to see if your card(s) have been used. If you have a referral, YOUR hookah session is 50% off. AND, your used card goes into the monthly drawing for a FREE hookah session (tower, ice-tip, additives, etc.) FULL NAMES are a MUST, if we draw "Joe", we will sigh and draw another card...

ATTENTION!!! DO NOT MOVE HOOKAHS. Ask us to.

LIFE TIP 1: The better you tip, the better you will find your next visit goes.

LIFE TIP 2: Regulars get perks. It works both ways, most of our regulars treat us VERY well too.

NO. NO. NO. We do NOT use quick-light coals. They taste like ass, funky ass, and ruin your hookah's real flavor.
By DEMAND, we do sell them retail...sigh..

Mixing flavors/brands does NOT cost extra. (Why would it?)
Buzz enhancement costs extra (Dokah is expensive!)

If you notice anything broken, dirty, missing, or just have a question -LET US KNOW, please!

Games are free to play, as long as they are taken care of.
(Don't: -lay the cases on the vents, it over-heats the system
-leave discs out, etc.)

Enjoy & B-CHILL!
