SUMMER NETBALL

Summer Netball starts on Wednesday 24th April. I will be sending out a separate email with details. Please read the emails carefully as some of the matchplay timings have changed.

SUMMER WALKING NETBALL

I have places for some more ladies to play Walking Netball in the Summer. Unfortunately there are no more official club places as we normally play in the Sports Hall and so we are limited by numbers. However, during the summer I have an extra court on the astro and so I am inviting other ladies to join the fun. Please let me know if you would like to play.
