A Note From Rick: Markets were steady to slightly stronger this week at TLA. Slaughter cows, along with steers and heifers, were steady compared to a week ago. These markets continue to be sluggish this Fall season. The calf market was slightly stronger and over the past several months has remained fairly steady. Our Special Feeder Sale Tuesday afternoon was very similar to a month ago, with several groups of good quality Holstein replacement heifers bringing right at \$1.00/lb. The team here at TLA has worked very hard preparing for the Draft Horse Sale and we are ready to go. We have had several sales in the last 2 months utilizing the new building and we have had nothing but really positive feedback. The staff at TLA has done an amazing job providing our customers with what they need to have a great experience buying and selling here. We are blessed to have such great people and I can't say enough about how much fun it is to come to work each day with the attitude and effort that is put forth by our team here. Looking forward to seeing you at TLA.....you don't wanna miss Draft Week!
