Bruce Post Members

Here we are with only two months left in 2013. It has been a busy year and we still have plenty of activities planned to make this a successful one.

Kaul's Funeral Home held a Veterans Burial Benefits Seminar here at the Post last month and was well attended. Kaul's will also be sponsoring a Flag Retirement Ceremony here at the Post on November 10th at 3pm along with the Girl Scout Troop 30453 and SCSPD. Please attend and bring your children and grandchildren. It's quite an amazing event and the kids will learn a lot.

We have a Feather Party coming up on November 2nd, a show in the hall in November and December and a band in the Clubroom for New Years Eve.

On Monday, November 11th at 11:00 am we will be holding our Veterans Day Ceremony here at the Post, please plan on attending. Please come out and support "Your" Post.

On November 13th the Ritual Team is having a Spaghetti Dinner Fundraiser. Also on November 22 the Clubroom will put on another Fish Fry. Please support these events.

Our Dad's Post #193 are planning on bringing Bingo back to the Bruce Post in January. It will be held on Monday nights. They are truly helping out the Bruce Post. Thank you Dad's Post!

Finally, at the November Post meeting we will hold elections for 3 Bar Committee members. I must commend the Bar Committee for all of their hard work, long hours and dedication to the success of the Clubroom and the Post! Thank you to all the volunteers who keep the Bruce Post in the forefront of the VFW organization!

Greetings comrades.

I hope that everyone is having a great fall season. I'm sure everyone knows what I'm going to say next..... Membership! Unfortunately for those of us that pay annual dues, after January they will be going up \$10. It's time to think about going for life membership. Remember that you can go with a payment plan as well as paying the full amount. Also, I'm very disappointed that very few of our members are taking the initiative to bring in new folks and help out with events at the post. For example, I got two names for volunteers to call out unpaid members..... Come on. Do we want to keep this post open and running or do we want to close the doors? Let's get the focus back on helping our veterans and comrades. Thank you.

Thank you all for your time and service.

Junior Vice Commander

The kids Halloween Party was a huge success thanks to all the wonderful Aux. Sisters and VFW members who gave of their time and ideas. I won't try to name them because I know I will miss someone, but I know you know who they are, so Thank you all again. The Kids seemed to be having a great time.

**And from the Post Quartermasters' office .....**

Thought you would find this interesting ....

Back in September of 2005, on the first day of school, Martha Cothren, a Military History teacher at Robinson High School in Little Rock, Arkansas did something not to be forgotten. On the first day of school, with the permission of the school superintendent, the principal and the building supervisor, she removed all of the desks in classroom. When the first period kids entered the room they discovered that there were no desks.

'Ms. Cothren, where are our desks?'

She replied, 'You can't have a desk until you tell me how you earn the right to sit at a desk. They thought, 'Well, maybe it's our grades.' 'No,' she said.

'Maybe it's our behavior.' She told them, 'No, it's not even your behavior. '

And so, they came and went, the first period, second period, third period.

Still no desks in the classroom. Kids called their parents to tell them what was happening and by early afternoon television news crews had started gathering at the school to report about this crazy teacher who had taken all the desks out of her room. The final period of the day came and as the puzzled students found seats on the floor of the desk-less classroom, Martha Cothren said, 'Throughout the day no one has been able to tell me just what he or she has done to earn the right to sit at the desks that are ordinarily found in this classroom. Now I am going to tell you. ' At this point, Martha Cothren went over to the door of her classroom and opened it. Twenty-seven (27) U.S. Veterans, all in uniform, walked into that classroom, each one carrying a school desk. The Vets began placing the school desks in rows, and then they would walk over and stand alongside the wall. By the time the last soldier had set the final desk in place those kids started to understand, perhaps for the first time in their lives, just

how the right to sit at those desks had been earned.

Martha said, 'You didn't earn the right to sit at these desks. These heroes did it for you.

They placed the desks here for you. They went halfway around the world, giving up their education and interrupting their careers and families so you could have the freedom you have.

Now, it's up to you to sit in them. It is your responsibility to learn, to be good students, to be good citizens. They paid the price so that you could have the freedom to get an education. Don't ever forget it.

By the way, this is a true story. And this teacher was awarded Veterans of Foreign Wars Teacher of the Year for the state of Arkansas in 2006. She is the daughter of a WWII POW. Please consider passing this along so others won't forget either that the freedoms we have in this great country were earned by U. S. Veterans.

Always remember them and the rights they have won for us.

**This article - Thanks to Bernie!!!!!!**

**Editor's take on something else:**

Interesting slant on things

**AMERICA'S HUNTERS ---**

Looking at the deer license sales in just a handful of states I arrived at a striking conclusion:

There were over 600,000 hunters this season in the state of Wisconsin ..

Allow me to restate that number: 600,000

Over the last several months, Wisconsin 's hunters became the eighth largest army in the world.

(That's more men under arms than in Iran . More than France and Germany combined. )

These men, deployed to the woods of a single American state, Wisconsin, to hunt with firearms,

and **NO ONE WAS KILLED.**

That number pales in comparison to the 750,000 who hunted the woods of Pennsylvania

and Michigan 's 700,000 hunters, **ALL OF WHOM HAVE RETURNED HOME SAFELY**

Toss in a quarter million hunters in West Virginia and it literally establishes the fact that the hunters of those four states alone would comprise the largest army in the world.

And then add in the total number of hunters in the other 46 states.

It's millions more.

\_\_\_\_\_ The point? \_\_\_\_\_

America will forever be safe from foreign invasion with that kind of home-grown firepower!

Hunting... it's not just a way to fill the freezer.

**It's a matter of national security.**

That's why all enemies, foreign and domestic, want to see us disarmed.

Food for thought, when next we consider gun control, whether you agree with it or not.

Overall it's true, so if we disregard some assumptions that hunters

don't possess the same skills as soldiers, the question would still remain...

What army of 2 million would want to face 30 million, 40 million, or 50 million armed citizens???

**For the sake of our freedom, don't ever allow gun control or confiscation of guns.**

(IF YOU AGREE PASS this ON, it FEELS GOOD THAT we HAVE AN ARMY OF MILLIONS WHO WOULD PROTECT OUR LAND AND I SURE DON'T WANT THE GOVERNMENT TAKING CONTROL OF THE POSSESSION OF FIREARMS)
