The 2020-2021 school year is shaping up to be very different from years in the past, and our Central Road PTA will be adapting to the changes as the school year progresses. As of the beginning of the year, all in-person events are on-hold for activities within the school building. We will be working on student/teacher events and activities that respect social distancing and guidance from the school district as well as the State of Illinois. We are planning on the majority (if not all) meetings to be held over an internet platform-- more info to come soon.

As a result of the new challenges in front of us, our PTA will be foregoing the traditional fundraising that has been conducted in previous years. As the return of students to in-person attendance is a fluid situation, this prohibits typical fundraising sales and efforts. We are pursuing different avenues to support PTA & Central Road School. If you know of any individuals or businesses interested in making a tax deductible donation to support CRS PTA, please reach out to [centralroadschoolpta@gmail.com](mailto:centralroadschoolpta@gmail.com).

This form can be returned to Central Road School with cash/check payment, or submitted electronically by emailing a scan or picture of the form to [centralroadschoolpta@gmail.com](mailto:centralroadschoolpta@gmail.com). This form is also available as an interactive pdf on our website that can be saved and emailed.
